

## **Letter: Beau's Buddies worth supporting**

**Published** August 18, 2008

Dr. John Gibbs was our guest speaker at the Leo Jenkins Cancer Center Survivor's Day. His words were an inspiration to all present, particularly to our physicians and staff. I hope all will support **Beau's Buddies**; it is truly a vital cause.

RON R. ALLISON, M.D.

Director  
Leo Jenkins Cancer Center
