

## **Letter: Campaign raises funds for area needs**

**Published** October 28, 2009

We at Leo Jenkins Cancer Center are grateful to **Beau's Buddies** for the exemplary assistance they have provided to our cancer patients. **Beau's Buddies** is unique in that all funds donated for cancer patients stay in eastern North Carolina. This is a true example of neighbors helping neighbors. Country singing star Heidi Newfield performed at the Hilton and generously donated concert proceeds to **Beau's buddies** on Sunday. I thank all our good neighbors in the East who helped make this a success.
